

# Kick-off Meeting COST Action CA18108: QG-MM (Quantum Gravity phenomenology in the Multi-Messenger approach)

## Thursday 03 October 2019

### Plenary Session - Aula Magna (14:30-16:30)

time	[id] title	presenter
14:30	[14] Low energy neutrino phenomenology	MARINA MANGANARO
15:00	[15] High-energy neutrino phenomenology	BRUNY BARET
15:30	[16] Pierre Auger Observatory	FRANCESCO SALAMIDA
16:00	[17] Telescope Array	ARMANDO DI MATTEO

### Plenary Session - Aula Magna (17:00-18:30)

time	[id] title	presenter
17:00	[19] Signatures of Quantum Gravity in Gravitational Wave observables	GIANLUCA CALCAGNI
17:30	[20] Status and prospects for gravitational waveforms in GR and modified GR	CARLOS SOPUERTA (INSTITUTE OF SPACE SCIENCES)
